maps.app.goo.gl/UMCzVCyoBbXB7uUGA

Or follow these directions:

1. Go to the intersection of Warner Valley Rd and Washington Fields Rd. This is immediately on the east side of exit 10 on Southern Pkwy 7.

2. Head SOUTH on the gravel road following the power lines, running parallel to the Southern Parkway 7. Do not go up into Warner valley past the water tanks.

3. Stay left the entire way, about 4.5 miles. The road will veer left near the AZ border. Continue to stay left and you will arrive at the property gate which will be open (there are no trespassing signs, you can ignore them). After the gate you will drive up a small incline and pass a dumpster on your right. That's the main parking lot and bays 1-6.
